## **No Mulligan's**

- However, if the system has an error, please report to the staff member and they will set a mulligan for you or decide on the most equitable solution.

## **Scoring/Format**

- Each team will consist of an A player and B player.

Example: Player A and Player B are on a team. Player A is a 5 handicap and Player B is a 10 handicap.

Player A shoots a 41, his handicap is subtracted from the total score,  $41 - 5 = 36$ .

Player B shoots a 50, his handicap is subtracted from the total score,  $50 - 10 = 40$ .

The score for team A/B is  $36 + 40 = 76$ .

- Scoring: Each week, each team competes against all other teams in the league through our season-long Points Race.

Example: If there are 10 teams in the league, the lowest net team total (70) will receive 10 points, the second lowest team net (73) receives 9 points, third lowest (76), 8 points, etc.

- The gimme range is set to Auto-Putt which is based on proximity to the hole. Inside 6ft is a 1 putt, outside of 6ft is a 2 putt.
- USGA rules of golf practiced were applicable

## **Other Important Items**

- Please be aware that having one ball in the hitting area is important. Mulligans are not allowed during play. In the event that you accidentally register a shot you must ask staff how to proceed.

## **Prizes**

- Prize pool will vary depending on the size of the league
- Final prizes will be figured after final league fees are determined by staff.

League rules are subject to change and final decision is up to Staff
